

Kim Chanjin

Undergraduate Researcher
School of Computer and Information Engineering
Kwangwoon University
Human-Data Interaction Lab

khlk0713@kw.ac.kr · [GitHub](#)
· [ORCID](#)

I am a researcher interested in data visualization, visual analytics, transportation systems, and human-centered data analysis.

Research Interests

Visual Analytics · Data Visualization · Transportation Visualization · Human-Computer Interaction

Education

2021.3 – Present **B.S. in School of Computer and Information Engineering**
Kwangwoon University

Experience

2024.11 – Present **Undergraduate Researcher**
Human-Data Interaction Laboratory

Publications

2026

DRT 차량 운영 패턴 분석을 위한 시각화 대시보드 설계 및 구현 (Design and Implementation of a Visualization Dashboard for DRT Vehicle Operation Pattern Analysis)

ChanJin Kim, DongHwa Shin

KCC 2026 (한국정보과학회 한국컴퓨터종합학술대회) · Conference Paper

2025

안전 인프라 데이터를 활용한 안전 경로 추천 및 시각화 시스템 (Safety Path Recommendation and Visualization System Using Safety Infrastructure Data)

ChanJin Kim, DongHwa Shin

KCC 2025 (한국정보과학회 한국컴퓨터종합학술대회) · Conference Paper

Last updated: August 2026
